October 3, 2001

Dear Sir or Madam:

This letter will serve as a 30 day notification pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994 that NBTY Inc. is using the following statements on our Ginkgo Complex Plus supplement under the Spring Valley label:

Active Ingredients: Ginkgo Biloba Extract, Ginkgo Biloba, Siberian Ginseng, Citrus Bioflavonoids, Bilberry

- Nutritionally Supports Mental Alertness
- Scientific research documents the ability of Ginkgo to maintain peripheral circulation to the arms, legs and brain.
- In addition, Ginkgo helps improve memory, especially occasional mild memory problems associated with aging.
- Ginkgo also possesses antioxidant properties that may help neutralize cell-damaging free radicals.
- Studies have shown that oxidative stress caused by free radicals may contribute to aging.
- To enhance the bioactivity of the standardized Ginkgo, we've added 400 mg of Ginkgo Leaf per serving plus a blend of Siberian Ginseng, Citrus Bioflavonoids and Bilberry.

The above statements are accompanied by the required disclaimer pursuant to Section 6 of the Dietary Supplement Health and Education Act.

Sincerely,

Ona Scandurra, MS, RD

Director of Nutrition Communications
